YOUTH EXCHANGE SCHOOL

COMMUNICATION THE KEY TO SOCIAL INCLUSION

24-28.JULY.2023

YES OVERVIEW

Effective communication is the key to social inclusion and a more inclusive European way of life.

This Youth Exchange School aims to provide participants with skills and knowledge that foster inclusivity in communication, ensuring accessibility and engagement for all.

Through workshops and debates on accessibility techniques for document design and dissemination, as well as through site visits and shared living experiences within and outside the learning environment, participants from the different countries of the alliance can learn how to communicate effectively and inclusively.

Together, we can bridge barriers, amplify diverse voices, and foster social inclusion where everyone can participate and be included.
