SAP CHALLENGE FOR STAFF 2nd EDITION

16-20.OCTOBER.2023

RUN-EU is an alliance of higher education institutions drawn from all regions of Europe. The EU and RUN-EU both aim to foster common understanding, further development, and trust amongst its members. This brings with it certain challenges. This SAP will help prepare staff for those challenges by addressing questions such as: What is this world of RUN-EU? What does it mean to promote a European University that embodies the values of sustainability, multiculturalism, and inclusiveness in all its work? How can I navigate my way through it? How can I operate and work effectively in such a multicultural and multilingual context among the alliance regions?
