## Travel to Leiria

We recommend that you fly to Humberto Delgado Airport in Lisbon.

To get a bus from Lisbon to Leiria you will need to use the “Expressos” buses: <https://rede-expressos.pt/en>  
This bus terminal is in an area of Lisbon called “Sete Rios”.

They probably have one or two buses every hour to Leiria. You don’t need to buy tickets in advance.

To see the timetable of the buses, just write “Lisboa (Sete Rios)” in the website:

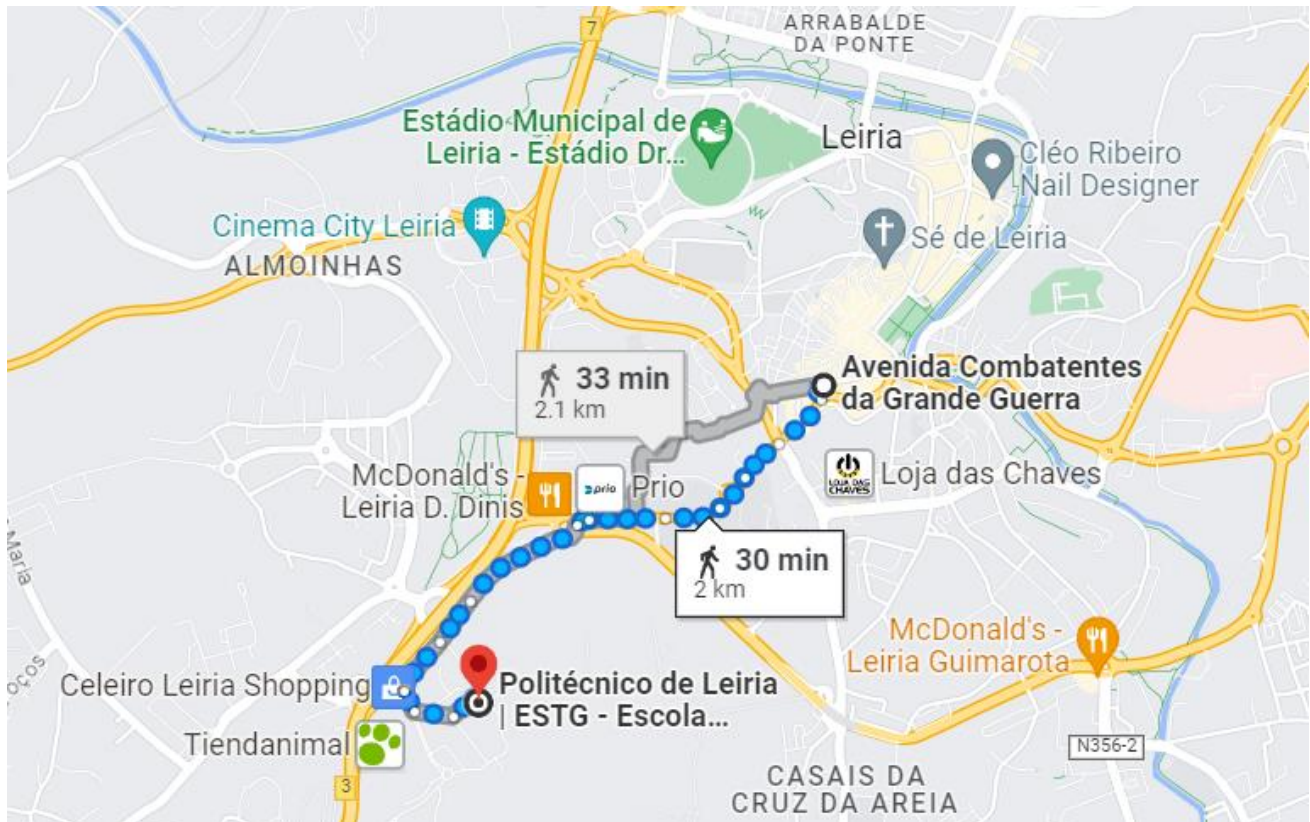

### Suggestion:

Arriving at the Lisbon airport, take the underground metro (or a Uber, or a Taxi, or other of the available transports) to the “Expresso buses” in “Sete Rios”. You have to say “Sete Rios”, otherwise they might lead you to another different terminal that has very few trips to Leiria.

## Travel inside Leiria

Most hotels are located at the city centre, and the venue (Politécnico de Leiria – ESTG) of the International Conference is around 2 km walking. There are frequent city buses between the city centre and the venue, with affordable ticket prices (approximately 1.45€) that you can buy inside the bus. Please check the map and routes available at <https://mobilis.pt/>. The venue is at **Campus 2 IPL** and is served by lines 1, 2 and 9.
