

EUROPEAN VALUES AND THE 2024 EU PARLIAMENT ELECTIONS 2ND EDITION

30.APR-17.MAY.2024

SAP OVERVIEW

This course immerses students in the exploration of European values and their impact on the 2024 European Parliament elections, blending theoretical learning with practical projects. It fosters key skills such as teamwork, critical thinking, and project management, relevant across various professional fields. The learning experience prepares students for diverse roles, enhancing their understanding of European socio-political dynamics and equipping them for future career success.

LEARNING OUTCOMES

Upon completion of this SAP, students will:

- Comprehend European Values: Understand and analyze a variety of European values in the context of contemporary society and politics.
- Relate European Values to Political Scenarios: Make connections between European values and the upcoming European Parliament elections, identifying potential issues and scenarios.
- Apply Knowledge to Practical Projects: Demonstrate the ability to apply theoretical knowledge to real-world situations through a project related to a chosen European value and the elections.
- Collaborate in Diverse Teams: Learn effective collaboration, management of disagreements, and leveraging of diverse perspectives through group work.
- Reflect on Personal Growth: Develop introspection skills to understand personal learning journey, strengths, areas for improvement, and the impact of the course on their perspective of European values and politics.
