RUN-EU RESEARCH CHALLENGE SAP
MANAGEMENT

15-19.JULY.2024

+INFO: www.run-eu.eu

Organised by: Polytechnic University of Cávado and Ave
Technological University of the Shannon

SAP OVERVIEW

This SAP Research Challenge aims to promote the development of in-person R&D activities focused on the discussion of new challenges and critical perspectives in Management Research. The emerging challenges in Management research will be explored and debated in different critical perspectives during this programme. The SAP programme is divided into two components: training and group research. The training component will be based on short thematic workshops taught by academics and experts. These workshops will focus on emerging the agenda on Management related research topics (finance, Economics, Human Resources and Public Policy and Administration) and training in basic research components (namely, Research Methodologies, Data Analysis, Scientific Writing, Preparation of Scientific Pitches, and Funding Opportunities).

LEARNING OUTCOMES

At the end of this RUN-EU SAP, you will be able to:
· Understand the basics of research methodologies

· Receive advanced training in emergent technologies

· Improve transversal and soft skills through teamwork and cooperative project methodology

· Improve innovative thinking in cooperation with others to achieve a common goal

· Experience a multicultural international environment
