

EUROVALUES NEXUS: EMPOWERING EUROPEAN CITIZENS

25.NOV-18.DEC.2024

SAP OVERVIEW

The "Eurovalues nexus: Empowering European Citizens" SAP programme aims to deepen participants' understanding of the European Union (EU), European values and their interconnectedness with European citizenship. Through a comprehensive exploration of various dimensions of citizenship – political, economic, environmental and cultural – the programme seeks to empower participants with knowledge and skills to actively engage as informed and responsible European citizens in an increasingly interconnected and diverse European Union. This SAP is structured in three parts: Part One: Online Sessions, Part Two: Face-to-face week at FHV, Austria, Part Three: Online Wrap-up Session.

LEARNING OUTCOMES

- Enhanced understanding of the European Union
- Appreciation of European values
- Interconnection with European citizenship
- Empowerment of European citizens
- Exploration of different dimensions of citizenship:
 - political citizenship
 - economic citizenship
 - environmental citizenship
 - cultural citizenship

This SAP aims to bridge the gap between theoretical understanding and practical implementation, empowering participants to become active and informed European citizens dedicated to upholding and promoting core European values.
